**DECLARATION OF COMPLIANCE**

This for all materials made from plastic, intended to be used in contact with food

We hereby declare that our hose named **ARMOFLEX** is produced according to the regulation (EU) No. 10/2011 and (EU) No. 1935/2004, as well as the German Food and Feed Code (LFGB). Further we declare that the hose is made under Good Manufacturing Practice (GMP) according to the (EU) 2023/2006 regulation.

The overall -, as well as the specific migration when used as specified does not exceed the legal limits. The migration test is done according to Art. 17 and 18 of the regulation (EU) No. 10/2011 this in conjunction with Annex V.

All materials and raw-materials used are in compliance with regulation (EU) No. 10/2011. As we do respect our raw-material suppliers we therefore keep the used Monomers and Additives as secret.

The mentioned hose is to be used with all food products within the (EU) 10/2011 under category A,B,C and E.

Test circumstances: 5 minutes at 40°C  
The surface/volume rate: 6 dm<sup>2</sup> / kg

The content of the above given declaration is confirmed by following test report:  
FUFDPC2023-03743-RO from Intertek Consumer Goods GmbH

The traceability according (EU) No. 1935/2004 is ensured through the batch number imprinted on the hose.

Yours sincerely,  
Hoses4U S.A.
